

the **DONNICA CLARKE**

INTRODUCTION:

The **DONNICA CLARKE Foundation** was established in 2007 to keep the memory of the bubbly and multi-talented teenager at the forefront of community minds. Donnica, or 'Nica' as she was affectionately known, was a dual Australian Surf Life Saving beach sprint and flags champion who died in a tragic cliff fall at North Avoca Beach on the Central Coast of NSW on April 10, 2007—aged just 16 years.

The aim of The DONNICA CLARKE Foundation is to offer financial, moral and 'in kind' support to young male and female athletes across all sports from the Central Coast region of NSW, Australia.

Scholarships will be awarded at the discretion of the foundation to deserving applicants who meet the criteria and best demonstrate their aspirations to further their sporting, personal and educational development.

Scholarship applications open on December 1, and the closing date for applications is January 31.

SUCCESSFUL APPLICANTS WILL BE EXPECTED TO:

- Uphold and support the ethos, aims and philosophy of the foundation.
- Act as an ambassador to further the aims of the foundation.
- Update the Foundation of their progress including results throughout the year and supply photos
- to use on our website
- Sign the foundation athlete agreement (this agreement stipulates the operational aspects for the expenditure of funds).

APPLICATION PROCESS:

Applicants are required to submit an official application form and information detailing why they are in need of financial support from The DONNICA CLARKE Foundation.

ABOUT THE SCHOLARSHIPS:

The foundation will award a minimum of \$10,000 worth of grants annually. Successful applicants will receive a financial grant payable in two installments. Recipients will be required to report on the expenditure of funds.

Grants can be used to offset travel to sporting events, camps and clinics; to undertake high performance training programs, tournaments and events; to cover gymnasium membership fees; to attend professional development programs and courses; to purchase performance clothing; to offset the cost of further education and other costs that may be associated with the development of the athlete.

The first installment will be paid once the successful applicant has been announced. The second installment will be made upon the foundation receiving a mid year update of the applicant's progress.

It is anticipated that up to 15 scholarships will be awarded. The scholarship value (financial contribution) may vary according to individual needs and circumstances. A successful applicant will receive a maximum of three years support as a scholarship holder during their eligibility term
